The Application of Science in Wales

St. David's Hotel & Spa, Cardiff Bay

OCR (Oxford Cambridge and RSA Examinations) invite you to a special free science conference that will be relevant to all practitioners and stakeholders engaged in science teaching and policy in Wales.

Who is this event for?

Teachers and lecturers of science subjects, heads of department, local authority advisors, stakeholder organisations, and anyone with an interest in science education in Wales.

What is happening on the day?

Delegates will have the opportunity to:

Question the Senior Scientific Advisor to the Welsh Assembly Government as a year-long review of Science policy and education comes to a close

Digest and question Estyn's 14-19 Science review – Q&A with a lead Inspector

Take a closer look at Applied science and curriculum choice

Consider the unique challenges of Key Stage 3 science teaching

Get updates on innovative teaching techniques and materials with leading stakeholders and publishers

Meet and network with teaching colleagues

How much is it?

This event is **FREE** and the first 50 delegates to register* get a free spa pass for the award-winning St. David's Hotel & Spa.

To register now for this event, please email your name and contact details to:

john.adamson@ocr.org.uk
